Dear Mister President,

My name is Julia-Karolina Saj and i am a 17 years old artist from Germany. My pseudonym is \*Miss Revolution\* and you can find my works under:[www.MissRevolution.cm](http://www.MissRevolution.cm)

You have my complete pitifulness because of the Nobel Peace Prize.

How do you mean to govern a country longer, which is the biggest weapon producer and weapon exporter? A country, in which the gun possession is a basic right and the death penalty has general benefit?  
A country that on the 20.march.2003 (without any official declaration of war) attacked the Iraq (baseless) and that is in charge for over 100000 killed civilians?  
A country that, during the year 2009 spent 3;5% more money for weapons, what is actually more than Bush spent ONE year before...

What does actually a president of the USA do, with a Nobel Peace Prize? Exactly! To make a fool of oneself!  
How do you mean to attack the Iran now?

Listen to my advice! Send the medal as fast as possible using a pretext to Moscow, donate it a bum from New York or auction it on EBay, but get shot of it!!!

Yours sincerely

Julia-Karolina Saj
